**From our Synod prayer calendar, we remember:**

*For healthcare workers, public officials, church, and civic leaders that they may be supported, cared for, and guided by God's wisdom in this time of difficult decision-making on behalf of their communities.*

*For all the pastors, pastoral leaders, LPAs and congregation and ministry leaders across the synod as they find ways to serve their communities and congregations. May God grant them peace and strength during this time.*

*For the families of all who have died because of racism, poverty, and Covid-19 as well as so many others, and for those who continue to suffer from their suffering and afflictions.*

*Where hearts are fearful and constricted, grant courage and hope. Where anxiety and distrust is infectious and widening, grant leadership governed by mercy and wisdom. Where injustice and status quo narratives close avenues, grant justice and transformation. Where distrust twists our thinking, grant healing and illumination. Where spirits are daunted and weakened, grant new life and a future with hope. Where groans and tears echo long years of oppression and denial, grant true repentance and restore the breach. Send your Spirit to give breath, and life; let justice roll down like waters, and righteousness like an ever flowing stream. All these things we ask in the name of Jesus Christ, our Savior and Lord. Amen.*
