All those in the Montana Synod and the West – who have been, and continue to be, affected by fires; prayers for their safety, comfort, and strength

From our Synod prayer calendar, we remember:

For health and healing for all the pastors, pastoral leaders, LPAs and congregation members who have been diagnosed with Covid-19 or have had family members who have been diagnosed.

For wisdom and guidance for all congregations and ministries in the Montana Synod who are struggling in these challenging times of change and transition.

For healthcare workers, public officials, church and civic leaders that they may be supported, cared for, and guided by God’s wisdom in this time of difficult decision-making on behalf of their communities.

Lord in your mercy, hear our prayers.
