

*Gold Hill Lutheran is blessed to have men and women called by God to serve as music ministers.*

Our music ministers direct, sing, and play instruments. Perhaps you have been discerning a call to this ministry. We welcome you to come forth and try it out. We don't consider making music to praise and worship God a form of entertainment or a show of musical prowess. We believe that the Word of God is revealed in a special way through music, and that the Word reaches souls and hearts in such a way the Word becomes action. We pray about our calling to this ministry whenever we are called to serve in liturgies, and at our weekly practices.

The Gold Hill Choir is open to men and women of all ages and stages who are discerning a call to ministry. We welcome those who play piano, organ, guitar and string instruments, wind instruments and percussion to play a role in the music we bring to the Lord's table. The Choir rehearses every Wednesday evening at 6:30 p.m. in the church sanctuary, September through May.
