

GHELC Stephen Ministers

Stephen Ministry is a wonderful ministry offered by Gold Hill Lutheran Church that is available to anyone who would benefit from a compassionate, confidential, trust-worthy, Christ-centered listener.

- A Stephen Minister is ready to visit with you, pray with you, share God's promises with you, and above all, **listen**.
- They do not judge, criticize, or tell you what you should do.
- They listen when you need to talk.

Stephen Ministers have had many hours of training to help you through the rough times in your life. No matter how challenging your life may have become or how trivial you may think a problem is, we are here to listen with the love of God.

Contact the Gold Hill Lutheran church office at 723-4242 to inquire about setting up a meeting with a Stephen Minister. Please know that confidentiality is paramount with Stephen Ministers!
